**Boots Vapour Chest Rub**

The above product is not currently marketed, hence A4 text version of the wording is provided

## Boots VAPOUR *Chest Rub* *Camphor, Eucalyptus, Levomenthol*

- ✓ **Effective relief from colds**
  - ✓ **Clears congestion, blocked nose & coughs**
- 45 g e**

**Read all of this carton for full instructions.**

### **What this medicine is for**

This medicine contains a combination of volatile oils for effective cold relief. It can be used to clear congestion, blocked nose and coughs due to colds.

### **Before you use this medicine**

#### **X Do not use:**

- **If you are allergic** to any of the ingredients in this medicine
- **Around the nostrils, mouth eyes or face**
- **On broken skin or wounds**
- **On children under 2 years**
- **For inhalation for children under 12 years**
- **On the chest area if you are breastfeeding**

#### **! Talk to your pharmacist or doctor:**

- If you are pregnant

#### **✓ How to use this medicine**

Check the seal is not broken before first use. If it is, do not use the medicine.

Use on the skin, or add to water and inhale the vapour. Do not swallow.

#### **Adults and children of 2 years and over:**

Apply a small amount to the chest and back (for older children and adults use a moderate amount) particularly at bedtime. Rub gently and leave clothes loose to allow vapours to be inhaled easily **or**

**Adults and children of 12 years and over:** Use 1 teaspoonful in half a pint of hot - not boiling - water and inhale the vapours.

Use when you need to but particularly at bedtime.

If symptoms do not go away talk to your pharmacist or doctor.

- ! If someone accidentally swallows some:** Go to your nearest hospital casualty department straight away. Take this medicine with you. Do not try to make them sick.
- !** Do not smoke or go near naked flames - risk of severe burns. Fabric (clothing, bedding, dressings etc) that has been in contact with this product burns more easily and is a serious fire hazard. Washing clothing and bedding may reduce product build-up but not totally remove it.

## Possible side effects

Most people will not have problems, but some may get some of these:

- Occasionally, an allergic skin reaction (e.g. skin rash, red itchy skin)
- Irritation of the skin

## Reporting of side effects

If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed on this carton. You can also report side effects directly via the Yellow Card Scheme at: [www.mhra.gov.uk/yellowcard](http://www.mhra.gov.uk/yellowcard). By reporting side effects you can help provide more information on the safety of this medicine.

**Keep all medicines out of sight and reach of children.**

Use by the date on the end of flap of the carton.

## Active ingredients

This ointment contains Eucalyptus Oil 1.5% w/w, Levomenthol 1% w/w, Racemic Camphor 6% w/w. Also contains: white soft paraffin, turpentine oil, pumilio pine oil, thymol.
