

P
Liquid Paraffin & Magnesium Hydroxide
25% v/v, 6% w/w Emulsion

For the temporary relief of constipation

Keep out of the reach and sight of children

Precautions before use:

Do not use if you have a persistent stomach pain or you have a condition that makes swallowing difficult.

Avoid use during early pregnancy or if breast feeding. Use with caution if frail or elderly, or you have kidney or liver problems. Talk to your pharmacist before use if you are taking any other medication, or you are at all unsure of how to use this product.

Dosage, as required:

Shake bottle before use. To be taken by mouth. 5ml = 1 teaspoon.

Not to be taken by children under 3 years old.

Children 3 – 12 years: 5 – 15 ml (max daily dose 15ml)

Adults (12 years +) & elderly: 5 – 20 ml (max daily dose 20ml)

Do not use repeatedly. If your symptoms do not improve, or in the event of an overdose, stop use and seek medical advice immediately.

Contains the active ingredients: liquid paraffin 1.25ml/5ml and magnesium hydroxide 300mg/5ml.

Other ingredients: levomenthol, sodium saccharin, benzalkonium chloride, purified water.

Liquid Paraffin & Magnesium Hydroxide 25% v/v, 6% w/w Emulsion contains benzalkonium chloride, which may cause mucosal irritation.

Persistent over-use may result in anal irritation and seepage. Absorption may cause small lumps. Inhalation may lead to pneumonia.

Reporting of side effects

If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed on this label. You can also report side effects directly via the Yellow Card Scheme at: www.mhra.gov.uk/yellowcard

By reporting side effects you can help provide more information on the safety of this medicine.

Store below 25°C. Do not freeze. Use within 1 month of opening. Do not use after the expiry date shown.
