INGREDIENTS

Cetrimide, Undecenoic Acid, Phenylethyl Alcohol, N,N-bis (hydroxyethyl)octanamide, Diethanolamine, Lauric acid, Poly Oxy Propylene Stearyl Ether, Purified Water.

PRECAUTIONS AND WARNINGS BEFORE USE

Do not use if you have previously experienced an allergic reaction (rash, itching or irritation) to any of the ingredients. **Protect your eyes.** Close your eyes and cover them with a towel during treatment. Rinse thoroughly with warm water if shampoo comes into contact with your eyes. **Pregnancy:** Seek advice from your doctor before use. **Breast feeding:** No problems are anticipated.

HOW TO USE CEANEL CONCENTRATE

Follow the instructions below carefully. If you have any further questions, contact your doctor or pharmacist. **For use on the scalp:** Wet the scalp and hair with warm water. Protect your eyes. Apply ½ - 1 teaspoonful of shampoo to the scalp, add a small amount of water, and work into a lather. Rinse and repeat. Finally, rinse hair and scalp thoroughly. Use three times in the first week and then twice weekly. **Other areas of the body:** Wet the area to be treated with warm water, and gently massage using sufficient shampoo to cover the area. Allow to remain in contact with the skin for 2 minutes. Rinse thoroughly with warm water. Use as often as required. **If you accidentally ingest (swallow) this shampoo** contact your doctor immediately.

POSSIBLE SIDE EFFECTS

Like all medicines Ceanel Concentrate can cause side effects. **If you experience an allergic reaction,** your symptoms persist, or the condition worsens, **stop treatment and consult your doctor. Reporting of side effects.** If you get any side effects, talk to your doctor or pharmacist. This includes any possible side effects not listed in this leaflet. You can also report side effects directly via the Yellow Card Scheme website www.mhra.gov.uk/yellowcard or search for MHRA Yellow Card in Google Play or Apple App Store. By reporting side effects you can help provide more information on the safety of this medicine. xxxxx
